Nevada has the smallest population of any state in the Union.

Cpl. Cletus D. Wise, who served with the 8th Infantry Division for 18 months overseas, has returned to the States and spent a 30-day furlough with his parents, Mr. and Mrs. C. R. Wise, and family.

While home, his brother, Hubert Wise, S. 1-c, also came home on a four-day furlough from New York and spent one day at home. We were happy to have both at home together.

After 30 days, Cletus returned to Fort Leonard Wood, Mo., and received his promotion to Staff Sergeant. Hope they can soon be at home together again.

Lieut. and Mrs. C. W. Lindsey, who have resided at Sanford, Fla., for several months, where he had naval assignment, have returned to Elba to make their home. Friends will be glad to know that he has been discharged and that he will be actively engaged in the business life of this city.

Mrs. Margaret S. Haire, chairman of the West Coffee County Camp and Hospital Council, is searching for county for an old-fashioned piano stool and a large display show case. These articles are needed by the soldiers who are patients in the Station Hospital at Camp Rucker. The piano stool will be used constantly by the patients in the Red Cross Recreation Hall and it is believed that the old-fashioned type will withstand the wear and tear to which it will be subjected much better than the modern bench. The show case is needed to display the many articles which can be made by the patients in the Red Cross Hobby Shop. It is believed that soldiers will be interested in spending more of their many idle hours during the hospitalization in the Hobby Shop if they can see the varied and different samples of crafts and hobbies readily displayed in a show case.

If you have a piano stool stored away in your attic, or if you have a show case in a closed store, and if you would like to give or sell these items, please contact American Red Cross Office, telephone No. 148.
